

**ThermoWorks**

# T-Grip™

T-Shaped Heavy-Duty Waterproof Thermometer

**Large Top Display**

0.62-inch digital display on the top of the thermometer for easy reading at a glance

**Auto-Rotating Backlit Display**

Backlit for low light, display automatically rotates 180 degrees so it is always right-side up

**Max/Min Temps**

Cycle through recorded Max and Min temperatures at the press of a button

**Fully Waterproof**

IP67 means it is secured against ingress from dust and water, even submersion

**Rugged Durability**

Hardened plastic housing with molded-in seals atop a reinforced 0.24-inch SST probe with reduced tip

**Improved Accuracy**

Sub-degree accuracy to  $\pm 0.9^{\circ}\text{F}$  ( $\pm 0.5^{\circ}\text{C}$ ) over much of its range

**Change Units**

Easily switch between Fahrenheit and Celsius

**Extended Range**

Take temps all the way from  $-58$  to  $572^{\circ}\text{F}$  ( $-50$  to  $300^{\circ}\text{C}$ )

**4 Reinforced Probe Lengths**

Choose from 5-inch, 12-inch, 24-inch, or our new extra-long 36-inch probe for big batches

**Comes in 4 Bright Colors**

Yellow, Blue, Charcoal, and White

**Accuracy You Can Trust**

Each T-Grip is individually calibrated and comes with a 2-point NIST-traceable calibration certificate verifying its accuracy to national standards. A two-year warranty against defects and a new internal trim function make it easy to maintain performance over time.
